

Hello from Your Chairperson

Dear Neighbors;

It's hard to believe that it's already October. Many of us will soon be preparing for the traditional Halloween festivities. I hope you'll take the time to read our story on the Story of Halloween and hope you enjoy reading it as much as I did writing it.

We had our "Friends of The Heights" Meeting Thursday, September 14th at 7:00pm. It was held at The Jupiter Town Hall. I want to thank all that took the time to come out. I'd like to welcome all the new residents that attended and extend an invitation for all of our neighbors to attend the upcoming meetings.

Our next "Friends of The Heights" Meeting is scheduled for Thursday, October 12th at 7:00pm. It will be held again at The Jupiter Town Hall.

We are trying to get a group of neighbors involved in our "Phase II Beautification" project. If you have an interest in the environment or landscaping or just enjoy volunteering, I encourage you to be on the committee. Please call or e-mail me. We need HELP and ideas!

I do various e-mails during the month to our neighbors with upcoming events or notices. If you would like to be added to the list please e-mail me with your name and e-mail address.

As you are reading this my husband and I are in Rome for a couple of days then will be cruising for two weeks to various ports of call to celebrate our 24th wedding anniversary, my 47th birthday and his brother's 50th birthday, along with another couples 20th anniversary. There will be 12 of us and we are really excited about it. I'll share the details when we return.

If you haven't signed up for the advertising in our "North Palm Beach Heights" newspaper, please get with our editor, Katie Shepherd. The purpose is for Heights residents to be able to advertise their business and to encourage Heights residents to use Heights owned businesses. Let's all support our neighbors!

I want to extend a welcome to all of our new residents and invite you to become part of "The Friends of The Heights" group. It is a great way to meet your neighbors and to feel a part of our neighborhood.

Please mark your calendar with the dates for our next meetings!
