

## **LOCAL LABORERS -NEED WORK**

Do you need help around the house with yard work, moving, house cleaning, general labor or other jobs or need help at your business? If so, you can obtain willing, dependable temporary workers at EL SOL, Jupiter's new Neighborhood Resource Center.

The new one-stop Center that matches employers with workers was launched September 6 at 106 Military Trail and is open Monday through Saturday from 6 a.m. to 2 p.m. Workers can be obtained Sunday's by prior arrangement. Just call 748-5177 or stop by the center at the northwest corner of Indiantown Road and Military Trail. The Center's services are free and you pay the workers directly.

EL SOL was established to provide an organized and supervised alternative to the daily gatherings of day laborers that previously solicited work along several Jupiter Streets. The Center is a collaborative effort of the Town of Jupiter, Catholic Charities, Corn Maya, a long-established migrant outreach agency, and Friends of EL SOL, a community volunteer group.

The next time you need someone experienced in lawn care, landscaping, general labor, moving, construction cleaning, house cleaning, and many other jobs, whether for a few hours or a few days, come to EL SOL. You will be glad you did.
